SACRAMENTO—The California Legislative Native American Caucus today released the following statement regarding the Immigration and Customs Enforcement’s (ICE) actions in California:

The California Legislative Native American Caucus, joins the legislature’s Diversity Caucuses in speaking out against the fear mongering, and inhumane attack on non-criminal immigrants such as families, children and individuals following the process towards legal status and contributing to the state. The federal deployment of federal troops only serves to escalate tensions and not resolve confrontations.
